

Hindsait AI Platform

Unlock the Power of AI for Better Healthcare Organizations and Processors with Naviant

Streamline operations, enhance accuracy, adhere to regulatory compliance, improve patient outcomes, integrate with your EHR/EMR/Claims Processing platforms, and reduce costs with this new AI-driven solution from Naviant powered by Hindsait, a market leader in the AI. Built by expert data scientists, medical professionals, and leading IT professionals, this solution is designed using the latest in Artificial Intelligence (AI), Clinical Natural Language Processing (CNLP), large language model (LLM) and machine learning (ML) technology to achieve the following results:

Why Choose Naviant's Hindsait AI Platform?

1. Operational Efficiency:

- Automate medical reviews and claims adjudication.
- Accelerate pre-authorizations and utilization management processes.

2. Cost Savings:

- Reduce operational costs with AI-driven automation.
- Minimize losses from fraud, waste, and abuse.

3. Regulatory Compliance:

- Ensure adherence to healthcare regulations, including HIPAA and CMS standards.

4. Improved Patient Outcomes:

- Achieve higher accuracy in medical reviews and decision-making.
- Deliver better care and enhance patient satisfaction.

5. Seamless Integration:

- Easily integrate with your existing systems like EHR, EMR, and claims platforms.

The Results

Our collaboration with major healthcare organizations has led to remarkable outcomes:

- **30% Reduction** in processing time for prior authorizations.
- **35% Reduction** in appeals and reconsideration decisions.
- **Millions Saved** in unnecessary or overpayments.
- **Faster Decisions:** From days to minutes.

If you have been challenged to free up high-cost clinical staff, reduce turnaround times, raise provider/patient satisfaction scores, and improve accuracy all while reducing costs, then you're in the right place. Naviant's Hindsait AI Platform can deliver all of these key results. **Ready to Transform Your Operations with proven AI technology? Schedule a Demo with your Naviant Sales Account Executive Today!**
